THE OLD DOMINION COFFEE POT. THIS new Corres Por, for which a patent has been issued, possesses this advantageover all others you may boil coffee in it for any length of time, without a particle of the strength or aroma escaping. One fourth less coffee is required, and the full flavor of the perry retained. A large number of testimonials have been received from those who have used it. We have space for only one: THE OLD DOMINION COFFEE POT .- We have had in use now, for over two months, one of these much talkedof coffee pots, and we find that it does, in all respects, what is claimed for it. You may buil coffee in the Old Dominion for any length of time you choose, and yet lose none of the delicate aroms or strength. This desirable end is attained by a simple, but ingenious, contrivance in the shape of a condenser, with dominion of which the aroma house. bie syphons, by means of which the arona bearing vapor, which usually goes all over the house or up the chimney, is condensed and thrown back into the coffee-boiler, and you have its delicious flavor in the

cup you bring to your lips. In all our experience o what we now have daily at our morning meal. It is the perfection of conee.—Philadelphia Evening Jour-Mr Sizes 1, 1%, 2, 3, 4, 6, 10, and 16 quarts. Larger sizes made to order. J. W. WILSON, For sale by Nashville, Tenn.
